We are now open for in-person customers. Your personal safety is our first priority. We are limiting customers to two at a time, and requiring all customers wear masks. We clean inbetween customers and more deeply overnight. We are still offering curbside pickup as well.

For curbside pickup, please call ahead and place your order. We will compile your order and call you back with a total, you can then give us your credit or debit card information.

When you arrive, please call us and we will bring your order outside.

Please allow 1-3 hours for us to compile your order and get back to you. Orders placed after 4:00 p.m. may be picked up the following business day. If you would like us to ship your order, we are offering free shipping for orders over \$50, and only \$5.00 shipping charge on orders below \$50.

Thank you so much for your patience as we do our best to serve you during these times.
